

Hadoop Eco System

Prof. Jigar Pandya • 12:29 PM (Edited 1:15 PM)

All those software components developed to work with Big Data and Analytics, AI, ML, Cloud and IoT which one or other way utilises Hadoop Distributed File System (HDFS) or Map Reduce (MR)(YARN) programming framework to accomplish storage and/or tasks are under the bin umbrella of Hadoop Eco System.

Hadoop Eco System and Rel...
